

Chapter 11: Road Warriors

"Don't get so close to the car in front of you, Mr. Mark!"

"Are you watching your speed?"

"Hey, is that a highway patrolman on our tail?"

"Maybe I should drive Mr. Mark..."

"Nobody likes a backseat driver, Darwin...especially a four-legged one!"

"Mr. Mark thinks he's funny!"

"Speaking of corny jokes, did you hear the one
about the two cattle dogs that picked up a hitchhiker..."

"Oh...you've heard that one before?"

"It wasn't funny the first time Darwin and wouldn't be funny now"

"Hey Mr. Mark, is that a booger up your nose?"

"I'll bet you haven't washed behind that ear in a week...gross!"

"I gotta find a tree...can you pull over?"

"You are under my spell...give me all your dog treats or else..."

"Stop it, I'm trying to drive!"

"Aw, you're no fun...but I love you anyway, Mr. Mark!"

"Even though we haven't played frisbee in two days..."

"Or...zzzzzzzzzz"
